Remember

This instruction leaflet has been designed as a guideline and introduction to the Halo Acrylic Liquid & Powder System. This leaflet is not a training document. It is recommended that any unqualified person wishing to practice and perform artificial nail services must first obtain a recognised level of training, qualification and insurance.

Pure Nails and Halo professional nail products are intended for use by professionals only.

Step by Step Application Guidelines

- 1/ Use **Pure Nails Sanitising Spray** to ensure hands and nails are sanitised before commencing any nail service.
- 2/ Carry out thorough preparation of the natural nail ensuring all non-living tissue is removed from the nail plate.
- 3/ Apply **Pure Nails Tips** and blend if necessary.
- 4/ Using a lint free pad work **Halo Prep & Scrub** into the natural nail (avoid the tip) to thoroughly dehydrate and cleanse the nail plate.
- 5/ Apply **Halo Mega Bond** to the natural nail only, avoiding tip.

Natural Acrylic Nails

- 1/ Work in Zone 1 covering tip using **Halo Acrylic Liquid** and **Halo Pink** or **Clear Acrylic Powder**.
- 2/ Work in Zones 2 and 3 using **Halo Acrylic Liquid** with chosen **Halo Pink** or **Clear Acrylic Powder** to cover rest of nail. It is important to leave a very small margin and avoid contact with the skin.
- 3/ Finish by filing and buffing to a high gloss shine.

French Acrylic Nails

- 1/ Work in Zone 1 to create a French tip using **Halo Acrylic Liquid** and **Halo White Acrylic Powder**.
- 2/ Work in Zones 2 and 3 using **Halo Acrylic Liquid** with **Halo Clear** or **Pink Acrylic Powder**. It is important to leave a very small margin and avoid contact with the skin.
- 3/ Finish by filing and buffing to a high gloss shine.
- 4/ Alternatively, finish by filing and applying **Halo Gel Polish Non-Wipe Top Coat** and cure.
- 5/ Apply **Pure Nails Cuticle Feed** to finish.

This system can be used over tips or sculpting forms.

Reverse Method

- 1/ To apply in a reverse method, apply **Halo Cover Pink Acrylic Powder** to Zones 2 & 3, then apply **Pink Acrylic Powder** to build the apex.
- 2/ File the smile line area before applying **Halo White Acrylic Powder** to the French area Zone 1.
- 3/ Finish by filing and applying **Halo Gel Polish Non-Wipe Top Coat** and cure.
- 4/ Apply **Pure Nails Cuticle Feed** to finish.
